Private Swim School

Pool Rules

- 🐬 Please ensure children wait at the pool side entrance to the changing room for their teacher to collect them for their lesson. Your child will be returned to the changing room after their lesson, please ensure you are there to meet them (Havelock Pool Only).
- 🐬 Please ensure your child visits the toilet before their lesson.
- 🐬 Parents are more than welcome to encourage their child but please do not interfere with the lesson. Should you have a query regarding your child's progress etc., please speak **briefly** to the teacher at the end of the lesson. Otherwise please feel free to contact me by phone or email.
- 🐬 If you bring a younger child (not in lessons), please ensure they are watched at all times and ensure they are kept well away from the waterside, pool entrances and external doors.
- 🐬 Havelock Academy request that all pushchairs, bicycles and scooters should be left outside of the pool building. These items are the owners' responsibility.
- 🐬 The changing rooms are open at all times as we have customers coming in and out every half hour. If you leave any belongings in the changing room it is at your own risk.
